

AUTOCAD TECHNICIAN/TECHNOLOGIST

MISSISSAUGA OFFICE

JOB #2007-109:

JOB DESCRIPTION:

PEIL has a full time position for an AutoCAD Technician / Technologist, in our Mississauga office. The successful candidate will be responsible for the design and drafting of site plans, subdivisions, and municipal construction projects using Autodesk Land Desktop (LDD) software.

The successful individual would work closely with PEIL's multi-disciplinary team of professional urban planners, municipal engineers, water resource engineers, and landscape architects. Direct liaison with clients and government approval agencies is required together with proven problem solving skills and project coordination.

Salary is commensurate with experience. PEIL offers a full range of benefits including an RRSP package.

EDUCATION:

A diploma or certificate in Civil Engineering Technology or equivalent is required.

PROFESSIONAL EXPERIENCE:

The successful applicant will have the following skills and experience:

- OACETT registration with a CET or C.Tech designation is preferred;
- Minimum 2 years working experience in related field;
- Good working knowledge of AutoCAD 2006 and Land Development Desktop (LDD) / Civil Design 2006;
- Good organizational skills;
- A keen interest in computer software and up to date technology;
- Experience with client liaison;
- Good writing and verbal communication skills;
- Ability to prioritize a variety of tasks;
- Have the attitude that client service is top priority;
- A personal vehicle and a valid driver's license is required.

RESUME SUBMISSIONS:

Please submit resumes (e-mail is preferred) to:
